

Oasis Clean 32 S ECO-LABELLED FLOOR CLEANER

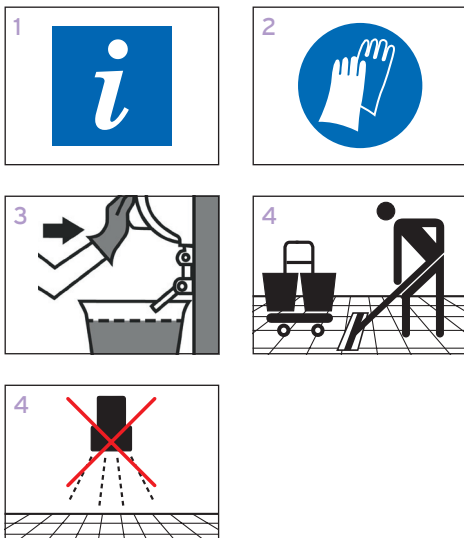

Oasis Clean 32 S is a concentrated rinse free floor cleaner, ideal for glossy floors. With an excellent material compatibility, **Oasis Clean 32 S** cleans floors of grease and dirt thoroughly, reducing dirt build-up with regular use and leaving a visibly clean floor. For increased user safety, **Oasis Clean 32 S** is colour-coded and comes with a light and fresh fragrance. **Oasis Clean 32 S** is part of a product range, which is certified by EU Ecolabel as an ecologically approved product.

Application area: For all water-resistant hard floors.

- **Clean** - Cleans without smears and keeps the floor's natural shine.
- **Safe** - Colour-coded and excellently biodegradable.
- **Efficient** - Accurate dosing provides excellent results and low costs.

USE INSTRUCTIONS

- 1 Check hygiene plan, product label and safety information for detailed use information.
- 2 To protect your skin, always wear gloves while handling the product.
- 3 Prepare the ready-to-use solution into a bucket using the Penguin dispenser. Recommended use-concentration: 1 - 3 % depending on soil level and water hardness. You may increase concentration for stubborn or persistent dirt.
- 4 Wipe the floor with Ecolab rasanTEC® mopping system. Allow drying.
- 5 No rinsing required.

SPECIAL NOTES / INFORMATION

Only a small quantity of the product is needed compared to normal products. Proper dosage saves costs and minimizes environmental impacts. Use concentration acc. EU eco-label: 1 %. For more information visit the EU eco-label web-site: <http://ecolabel.eu>.

Test material compatibility in a small inconspicuous area before use. Position warning signs "Attention wet floor" and leave in place until surface is totally dry.

For professional use only!

Safety Data Sheet for professional users available on request.
