

# Topmatic Clean ECO-LABELLED WAREWASHING DETERGENT

**Topmatic Clean** is a highly concentrated liquid warewashing detergent particularly effective on starch residues, tea and coffee stains. Based on innovative ingredients, it removes heavy soil guaranteeing results in one-pass cleaning.

With proven cleaning performance and maximum environmental friendliness **Topmatic Clean** is certified (filing in process) by Nordic SWAN as an ecologically approved product, in compliance with the ecological requirements for raw material selection and use of packaging. **Topmatic Clean** is used in conjunction with Ecolab's liquid dispenser system.

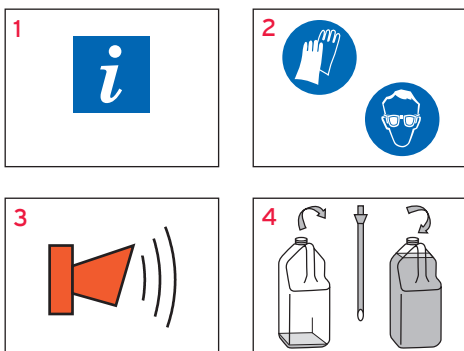

- **Clean** - Strong cleaning performance with environment friendliness
- **Safe** - Selection of raw materials (NTA-, EDTA-, phosphate- and chlorine-free formula) guarantees a high ecological standard
- **Efficient** - One-pass cleaning saves time and money

The Nordic Swan is an independent multi-national environmental labelling scheme introduced by the Nordic Council of Ministers which has a close cooperation with the EU Ecolabel system "Flower" and guarantees a certain environmental standard. The objective of SWAN is to provide information to consumers to enable them to make the best environmental product choice.

## USE INSTRUCTIONS

### FOR USE WITH ECOLAB DOSING UNIT

Your Ecolab specialist will adjust the dosing system for your specific cleaning needs.

- 1 Check hygiene plan, product label for detailed use information
- 2 Wear suitable protective clothing when handling the product
- 3 If the alarm sounds, stop the machine
- 4 Carefully take out the suction pipe. Unscrew closure from the new jug, insert the suction pipe and place the jug back in the jug holder

If "empty product" warning device is not installed, check detergent level regularly and change bottles when necessary.

## SPECIAL NOTES/INFORMATION

### For professional use only.

For use with Ecolab dosing units. Safety Data Sheet for professional users available on request.

Do not use on aluminium and other soft metals.

### SAFETY INFORMATION

#### Do not mix with any other products!
